### 3. Emergencies, Fires and Natural Disasters

\*\*\*Fire (Fire Station Phone:119)

If a fire breaks out:

Shout “Kaji da” (Fire!) in a loud voice to alert the neighbors.

Dial 119. The fire service will ask if there is a fire or if you need an ambulance.

Answer “Kaji desu” (There is a fire). Give your name, address, and your phone number.

\*\*\*Sudden illness or injury (Fire Station Phone:119)

When you need an ambulance dial 119 and say “kyukyu desu” (We need an ambulance). Give your name, address and the state of the illness or injury. The fire service will find a hospital which can give treatment, and the call-out of the ambulance is free of charge.

There is a special emergency treatment for foreigners. For details ask at the Hyogo International Association Information and Advisory service
